Technical documentation

The manufacturer's technical file latest dated 2021-03-19.

Certificate

RISE Research Institutes of Sweden AB, Notified Body no. 0402, hereby certifies that the manufacturer's technical file and the product have been inspected in accordance with a simplified procedure based on annex V to regulation (EU) 2016/425 and found to fulfil the requirements. The product is judged to belong to category II according to annex I to the regulation. The EU Type-Examination is based on a type test in accordance with EN 166:2001. RISE Certification Rule SPCR 309 issue 2021-03-17 has been applied.

Miscellaneous

The manufacturer's information in English on use, cleaning, storage etc. has been inspected and found to fulfil the relevant requirements of the regulation. This information must be available in the language used where the product is to be sold.

Validity

The certificate remains valid as long as the conditions laid down in the harmonized standard(s) in reference are not modified significantly or at the latest until 2026-03-25.
